SUBJECT: Estimated Property Tax Bills

At your request, I have updated Table 10 in Informational Paper 13, Property Tax Level in Wisconsin. Table 10 displays estimated property tax bills for a median-valued home taxed at statewide average tax rates. In comparison to the table in the informational paper, the attachment includes property tax year 2012(13), where the tax rates are based on actual tax levies, and property tax years 2013(14) and 2014(15), where the tax rates are based on estimated tax levies. The latter two years include the effects of 2013 Wisconsin Act 46, which was enacted in the October 2013 Special Session.

If you have any questions on this information, please let me know.
